“Nontraditional” means any method of teacher preparation that falls outside the traditional method of preparing teachers, that provides at least a one- or two-year sequenced program of instruction taught at regionally accredited and state-approved colleges or universities, that includes commonly recognized pedagogy classes being taught for course credit, and that requires a student teaching component.

“Proficiency,” for the purposes of paragraph 13.5(2)“e,” means that an applicant has passed all parts of the standard.

“Recognized non-Iowa teacher preparation institution” means an institution that is state-approved and is accredited by the regional accrediting agency for the territory in which the institution is located.

b. In addition to the requirements set forth in subrule 13.5(1), applicants from non-Iowa institutions:

(1) Shall submit a copy of a valid or expired regular teaching certificate or license exclusive of a temporary, emergency or substitute license or certificate.

(2) Shall provide verification of successfully passing the Iowa-mandated assessment(s) by meeting the minimum score set by the Iowa department of education if the teacher preparation program was completed on or after January 1, 2013, and the applicant has verified fewer than three years of valid out-of-state teaching experience. If the teacher preparation program was completed prior to January 1, 2013, or if the applicant has verified three years of valid out-of-state teaching experience, the applicant must provide verification of successfully passing the mandated assessment(s) in the state in which the applicant is currently licensed (or verify highly qualified status) or must provide verification of successfully passing the Iowa-mandated assessment(s) by meeting the minimum score set by the Iowa department of education.

An applicant who has not completed at least 75 percent of the coursework for at least one of the basic Iowa teaching endorsements completed will not be issued a license. Applicants seeking a board of educational examiners transcript review must have achieved a C- grade or higher in the courses that will be considered for licensure.

(5) Shall not be subject to any pending disciplinary proceedings in any state or country.

(6) Shall comply with all requirements with regard to application processes and payment of licensure fees.

c. If through a transcript analysis, the teacher preparation coursework as outlined in 281—subrules 79.15(2) to 79.15(5) or one of the basic teaching endorsement requirements for Iowa is not met, the applicant may be eligible for the equivalent Iowa endorsement areas, as designated by the Iowa board of educational examiners, based on current and valid National Board Certification.

d. If the teacher preparation program was considered nontraditional, candidates will be asked to verify the following:

- (1) That the program was for secondary education;
- (2) A cumulative grade point average of 2.50 on a 4.0 scale from a regionally accredited institution; and
- (3) The completion of a student teaching or internship experience or three years of teaching experience.

e. If the teacher preparation coursework as outlined in 281—subrules 79.15(2) to 79.15(5) cannot be reviewed through a traditional transcript evaluation, a portfolio review and evaluation process may be utilized.

(1) An applicant must demonstrate proficiency in a minimum of at least 75 percent of the teacher preparation coursework as outlined in 281—subrules 79.15(2) to 79.15(5).

(2) An applicant must meet with the board of educational examiners to answer any of the board's questions concerning the portfolio.

13.5(3) *Applicants from foreign institutions.* An applicant for initial licensure whose preparation was completed in a foreign institution must obtain a course-by-course credential evaluation report completed by one of the board-approved credential evaluation services and then file this report with the Iowa board of educational examiners for a determination of eligibility for licensure.
